

INTERNATIONAL
BOY SCOUTS OF AMERICA®

53rd Jamboree-on-the-Air

OCTOBER 16–17, 2010

WHAT IS JAMBOREE-ON-THE-AIR

The Jamboree-on-the-Air, or JOTA, is an annual Scouting and amateur radio event sponsored by the World Scout Bureau of the World Organization of the Scout Movement. Thousands of amateur radio stations around the world participate. If the conditions are right, it is common to contact a hundred Scouting countries during the weekend.

In the United States, Cub Scout dens and Boy Scout patrols visit a local amateur's ham shack during JOTA. Many districts and councils hold events that coincide with JOTA, where amateurs set up stations giving Scouts and leaders a chance to exchange greetings with Scouts from other areas.

The exchanges typically include information such as

- Name
- Location (QTH)
- Scout rank
- Hobbies
- Age

Some exchanges lead to long-lasting friendships and the exchange of photos, badges, pins, and patches.

The usual communications method calls for speaking into a microphone. However, the following specialized communications are also used during JOTA:

- Slow Scan TV, or SSTV
- Amateur TV, or ATV
- Orbiting Satellite Carrying Amateur Radio, or OSCAR
- Packet radio, or modem communication without a phone—PSK-31
- Radio Teletype, or RTTY
- Earth-Moon-Earth, or EME, contacts
- EchoLink

There will be many stations operating, including the following:

- K2BSA stations assigned to various areas, such as K2BSA/0, K2BSA/1, etc.
- HB95, the World Scout Bureau headquarters in Switzerland
- GB2GP at Gilwell Park, England

Listen for other special call signs from many countries.

WHO

JOTA welcomes participation by Scouting and amateur radio enthusiasts of all ages:

- Cub Scouts
- Boy Scouts
- Venturers
- Brownie Scouts
- Girl Scouts
- Former Scouts and Scouters
- Amateur radio operators
- Anyone interested in doing a Good Turn for Scouting and amateur radio

WHEN

JOTA always falls on the third full weekend in October. JOTA will begin on Saturday, October 16, 2010, at 00:00 hours local time, and end on Sunday, October 17, 2010, at 24:00 hours local time.

* Not authorized to transmit in the United States (Region 2); however, you may listen

Note: Remember that others use these frequencies, so move off the listed frequency if another group is operating there. Always be courteous; others will find you.

HOW

Scouts and leaders should follow some of the following tips for help in preparing for participation in the JOTA program:

- Contact a local amateur radio operator.
- Contact a local amateur radio club.
- Put a notice in the local newspaper.
- Run an article in the local council newsletter; almost every local council has a Scouter involved in amateur radio.
- Contact the American Radio Relay League's Field and Educational Activities Department toll free at 800-326-3942; or visit the ARRL Web site: <http://www.arrl.org/ead/jota.html>.
- Request the More About Jamboree-on-the-Air (JOTA) guide from the International Department at Boy Scouts of America, International Department S221, 1325 West Walnut Hill Lane, P.O. Box 152079, Irving, TX 75015-2079.

Radio amateurs should:

- Invite Scouts and Scout units to their radio shack. Radio amateurs who do not know any units should contact the nearest BSA local council service center for the names of Scout unit leaders in the area. Local councils can be found by visiting www.scouting.org.
- Volunteer to set up a station at a district or council camporee, Scout show, or other event. Contact the nearest BSA local council service center for more information.
- Call "CQ Jamboree," or respond to such calls.
- K2BSA/? is available throughout the year for organized Scout events. K2BSA/? may be available for use during JOTA. Contact Ray Moyer for details by e-mail at ray.moyer@sbcglobal.net, or by mail at Boy Scouts of America, Ray Moyer, c/o International, S221, 1325 West Walnut Hill Lane, P.O. Box 152079, Irving, TX 75015-0279.

Please make plans early to reserve K2BSA/? for your event.

Share this fact sheet and a copy of More About Jamboree-on-the-Air (request this publication from the International Department) with other radio amateurs and radio clubs.

WHAT IS OR IS NOT REQUIRED

- No reports in the form of logs are necessary. (This is not a contest.)
- Make the exchange of information simple, related to Scouting and amateur radio.
- Brief reports are requested. See the sample report format on this fact sheet. This report should include:
 - Unit number and local council name and number
 - Amateur call used
 - Calls heard and worked
 - Number of participants
 - Interesting incidents and exchanges, etc.
 - Photos with captions (small group, uniformed Scout at mike)

CONTACT CARDS/PATCHES

The JOTA contact cards are 10 cents each, and can be purchased individually or in packs of 10 for \$1. The contact cards are available to anyone participating and are a good place to record some of the contacts made during JOTA. The patches are temporary insignia to be worn on the right pocket of the Scout uniform or on jackets/vests, and they cost \$4 each.

Both the contact cards and patches will be available after August 1 and in **LIMITED QUANTITY**, so order early! Please allow four weeks for delivery. Checks or money orders will be accepted and must be made payable to Boy Scouts of America. We also accept American Express, Visa, MasterCard, and Discover credit cards. Send requests for cards and/or patches to Boy Scouts of America, Jamboree-on-the-Air, S221, P.O. Box 152079, Irving, Texas 75015-2079, or call the International Department at (972) 580-2405.

JOTA REPORT

The JOTA report on the following pages is very important in working on the next JOTA event. Your combined information will be forwarded to the World Scout Bureau and will be used to improve the overall event. Include anything that was funny, interesting, or learned, along with your ideas or suggestions to help improve the event. If you include pictures, put them on a disk using JPG format so they can be forwarded with the report. Make sure you have the full names of all those in the picture. Scouts in uniform would be really great. Please provide anything that would be of interest to others.

An example of a story: "The snow was two feet deep but we drank hot chocolate and talked to Scouts from New Zealand. They had just gotten back from swimming."

This image shows a single sheet of white paper with horizontal ruling lines. The lines are evenly spaced and run across the width of the page. There are no margins, text, or other markings on the paper.

Please use any of the suggestions below for illustrating your report (mark the boxes of those used). See the "JOTA Report" section for details on the information needed.

- ☐ Photographs on a disk (maximum of five) in JPG format
- ☐ Computer disk (report)
- ☐ Newspaper or other clippings of your event
